Supplemental Reasons for Allowance

Allowable Subject Matter

Claims 31-42 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art fails to teach the a method for delivery of a therapeutic drug that includes the combination of forming tubes in a drug delivery segment where each tube has a diameter and a length that extends radially from the inside surface to the outside surface of the drug delivery segment where the ratio of the length to the diameter of the tubes is about 5-25; providing a therapeutic drug to the drug delivery segment for more than 24 hours, and either distributing the drug in equal amounts through the tubes to either the brain of the patient, a tumor or a liquid filled space within a patient or distributing the drug in equal amounts through the tubes from an intraparenchymal, intrathecal, or intracerebral catheter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
